Dear Hiring Manager,

I am writing to express my interest in the <role title> as posted on <company name>. My previous academic experience and leadership roles make me an ideal candidate for this career. Currently, I am enrolled at George Brown College in second year of Computer Programmer Analyst.

My academic experience in developing web application and analyzing data structure and design that requires critical thinking and motivating environment convinced me that I am ready to take action in real world. I am sure that I can put various academic backgrounds to use for the organization, and yet continue to improve upon it as I learn from some of excellent programming courses from post secondary.

Thank you for your time and consideration to review my resume. I look forward to the opportunity to meet with you soon to discuss the further qualifications. I can be reached at 647-676-7757 or k.chloe208@gmail.com.

Sincerely,

Minji Chloe Kim
